## Non-parametric Methods Lab

Homework (6)

## EXERCISE:

The following table represents grades of 30 students in a particular course, is there a significant difference between these grades?

| grades | A | B | C | D | F |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- |
| Number of students | $\mathbf{3}$ | $\mathbf{9}$ | $\mathbf{1 0}$ | $\mathbf{6}$ | $\mathbf{2}$ |
